## **PUBLIC NOTICE**

### **OPENING OF CENTRAL BUILDING AUTHORITY EXTENSION OFFICE IN COROZAL**

**The Central Building Authority (CBA) is pleased to announce the opening of its extension office in Ranchito Village, Corozal District, within the Ministry of Infrastructure Development and Housing compound.**

**The establishment of this office aims to improve operational efficiency and provide more accessible, localized support for residents, contractors, developers, and other stakeholders throughout the Corozal District.**

**This initiative reflects the CBA's commitment to ensuring that all buildings are constructed in accordance with approved plans and the requirements of the Belize Building Act, its associated regulations, and the 2024 Belize Building Codes. Through strengthened oversight and improved service delivery, the Authority continues to promote safer, more resilient communities throughout Belize.**

**For more information, please contact the Central Building Authority.**
